## About Me

i am Amrat kumar, 3rd year student of software engineering department of mehran university of engineering and technology jamshoro. I am currently working on front-end web development. It's been 2 years, I'm working as web developer.i have developed many website and also provided my services to college students by getting their projects ready ASAP as a freelancer I have been part of some very good web design projects.

## Experience

### LetsGrowMore [January 2022 - February 2022]

*web development internship*

Overall the experience was good and I would recommend trying this internship program. I completed my internship at Sparks Foundation. I got to learn a lot and the peer evaluation helped a lot as it helped me connect to more people and see the projects they create

### Interns Pakistan [may 2022 - June 2022]

*front-end web development internship*

During the program I learnt a lot of new things and faced some complexities too that compelled me to search out new things and to explore different ideas about front-end Development.

## Education

### mehran university engineering and technology jamshoro [ 2019-2023 ]

I am currently studying software engineering from this university.

### kainaat public college [2017 - 2019]

passed hsc part1 and hsc part2 in 2019 cleared both parts with A-1 grade.

### kainaat public school, 2016

passed matriculation exam in 2016. with A grade.
